

Welcome to Hartland School Health Office

Good Hand washing, cover your cough! Please use tissues.

Attendance: Please call school daily before 9:30am to report an absence. If your child will be coming to school late please call to let us know. If the health office does not have contact with a parent/Guardian it will be marked unexcused. A three consecutive day absence does need a MD note.

Medication Administration: All students who require medications, prescription or OTC must have a medication form filled out by their physician and parent/guardian. All medications must be in the original containers and properly labeled. Students are not allowed to carry medications to school unless authorized.

Physicals: It is state mandated that students entering Pre K, Kindergarten and 7th grade have a physical with proper immunizations. A notice will go out to parents in advance so proper time can be made to make MD appt's. Physicals must be in before the first day of school.

Flu Vaccines: All Pre-K students are required to have a yearly flu immunization. A parent/guardian will need to fill out a religious exemption form if they do not want their child to be vaccinated.

If you have any questions please call Mrs. Hille R.N. 860-653-7207 or email me at rhille@hartlandschool.com.
