**POLICY REGARDING EMPLOYEES AND
SECTION 504 OF THE REHABILITATION ACT OF 1973 AND
TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

Section 504 of the Rehabilitation Act of 1973 ("Section 504") prohibits discrimination against individuals with a disability in any program receiving Federal financial assistance. Similarly, Title II of the Americans with Disabilities Act of 1990 ("Title II" or "ADA") prohibits discrimination against individuals with a disability by state and local governments. To be protected under Section 504 and the ADA ("collectively, "Section 504/ADA"), an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

In order to fulfill its obligation under Section 504/ADA, the Hartland Public Schools recognize a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school sponsored programs. In this regard, the Hartland Public Schools prohibit discrimination against any person with a disability in any of the services, programs or activities of the school system.

Employees who are interested in requesting or discussing reasonable accommodations for a disability should contact:

**ADMINISTRATIVE REGULATIONS REGARDING EMPLOYEES
AND SECTION 504 OF THE REHABILITATION ACT OF 1973
AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

[The following administrative procedures are not part of the Section 504/ADA policy. However, because school districts are required by law to have procedures related to § 504 complaints, this model is included for your convenience. Reference to ADA is also included in these regulations because there is overlap between § 504 and the ADA.]

Hartland Board of Education Section 504/ADA Grievance/Complaint
Procedures Regarding Discrimination Against Employees

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) and Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) (collectively, “Section 504/ADA”) prohibit discrimination on the basis of disability. II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability may submit a written complaint to the district's designated Section 504/ADA Coordinator within thirty (30) school days of the alleged occurrence. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If the complaint is made verbally, the individual taking the complaint will reduce it to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.
- B. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.
- C. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures.
- D. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.
- F. The complaint should contain the following information:
 - 1. The name of the complainant;
 - 2. The date of the complaint;
 - 3. The date(s) of the alleged discrimination;
 - 4. The names of any witnesses or individuals relevant the complaint;
 - 5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
 - 6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

- G. Upon receipt of the complaint, the individual investigating the complaint shall:
 - 1. Provide a copy of the written complaint to the Superintendent of Schools;
 - 2. Meet with the complainant within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes have relevant information, and obtain any relevant documents the complainant may have;

3. Provide the complainant with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
 4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
 5. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
 6. Communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the district will remedy any identified violations of Section 504/ADA;
 7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, complainant will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
 8. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination.
 9. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.
- H. If the complainant is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the complainant to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the complainant, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or

findings. The Superintendent shall provide written notice to the complainant of his/her decision within ten (10) school days following the receipt of the written request for review.
