

Hartland School

Ms. Laura Hollingsworth
Principal

Dr. Anthony Distasio
Superintendent of Schools

2017-2018

Dear Parents/Guardians:

The town of Hartland provides transportation for your student(s) to attend Granby Memorial High School. To determine if there is school during inclement weather, you will need to listen for school delay/closing schedules for both districts. Most television stations also provide notification of closures and delays directly to families that subscribe to receive this information through their websites. If a Hartland student does not attend school when Granby is in session, they will be considered absent. Here is a breakdown of the different scenarios:

| Hartland District | Granby District | Transportation Arrangement |
|--------------------------|------------------------|--|
| School Closed | School Open | Bus will run on a 90 min delay. |
| School Delayed | School Opens on time | Bus will run on a 90 min delay. |
| School Closes Early | School Closes on time | Transportation will be provided at 2:20. |
| School Open | School Closed | No School for students |
| School Opens on time | School Delayed | Bus will pick up based on regular time schedule. If students arrive early to school, they will need to sit in the Commons until classes begin. |
| School Closes on time | School Closes Early | Transportation will be provided at noon. |
