Mrs. Alissa Goguen
 Principal

Mrs. Imma Canelli
 Superintendent of Schools

Dear Parents/Guardians:

The town of Hartland provides transportation for your student(s) to attend Granby Memorial High School and Oliver Wolcott Technical School (OWTS). To determine if there is school during inclement weather, you will need to listen for school delay/closing schedules for Granby & Regional #7 districts (as Hartland follows the schedule of Regional #7). Most television stations also provide notification of closures and delays directly to families that subscribe to receive this information through their websites. If a Hartland student does not attend school when Granby or OWTS is in session, they will be granted an excused absence.

Here is a breakdown of the different scenarios:

Hartland District	Granby District & OWTS	Transportation Arrangement
School Closed	School Open	No school for students; excused absence.
School Delayed	School Opens on time	Bus will run on a 2 hr. delay.
School Closes Early	School Closes on time	Transportation will be provided at 2:30.
School Open	School Closed	No school for students
School Opens on time	School Delayed	Bus will begin pickup of Granby students immediately following drop off of the Hartland students. (8:30 a.m.) Students will be excused for being late.
School Closes on time	School Closes Early	Transportation will be provided at 12:10.

*When referring to OWTS transportation inquiries for **EAST HARTLAND** students, the chart above is for **AM transportation** and the chart below is for **PM transportation**.
