

# Hartland Land Trust Speaker Series

# TICKS

***It's Not Just Lyme Disease Anymore***

**Please join us for a presentation by  
*Dr. Kirby Stafford***

**Head of the Department of Entomology and  
State Entomologist (State Plant Regulatory Official) at  
The Connecticut Agricultural Experimental Station.**

**Dr. Stafford will review the epidemiology of Lyme disease  
and other tick-borne diseases, basic tick biology,  
tick bite prevention, and highlight his research on  
various practical and experimental methods  
of tick management.**

**Monday, September 23, 2019 7:00 p.m.  
at the HARTLAND SCHOOL  
South Road, East Hartland, CT**

**Refreshments Served**

**Free Admission - Donations gratefully accepted**
