August 2023

Dear Hartland Families,

As a requirement of federal legislation, the following is provided for your information.

Asbestos management plans have been developed for the Hartland School. These plans are available and accessible to the public at the main office of the Hartland School.

This building has been inspected as a result of upgrades to one of the student bathrooms during July and August of 2023.

Sincerely,

Imma Canelli  
Superintendent of Schools
