

Position: Middle School Science Teacher Grades 6-8

Location: Hartland School

Beginning: August 26, 2024

Deadline: Until Filled

Telephone: 860-653-7207

Job Description:

Hartland School is seeking a full time, dynamic and inspiring science educator for grades 6-8 to join our school community. Named as a school of Distinction, and located in beautiful Northwest Connecticut, our community based school has been recognized for consistently strong science scores. We are looking for a candidate to teach one section of each grade level and be part of our small middle school team. Candidates should:

- Implement Inquiry Based Learning and inspire students to reach their full potential.
- Effectively implement instructional plans and use appropriate instructional techniques.
- Effectively communicate with students and support staff.
- Help students develop positive self-concepts.
- Effectively organize time, space, materials and equipment for challenging instruction.
- Effectively assess student needs and progress to drive instruction.
- Effectively meet the needs of all students.
- Establish a positive learning environment where students are willing to take risks.
- Meet professional responsibilities.
- Encourage and maintain the cooperative involvement and support of parents and the community.

Qualifications:

Valid Connecticut Science Teaching Certification

Salary

As per negotiated contract

Application package must include:

- Letter of interest and resume
- Completed application
(http://hartlandschool.com/uploads/files/APPLICATION_OF_EMPLOYMENT.pdf)
